

GRANITE & MARBLE

PROJECT ESTIMATE REQUEST INSTRUCTIONS AND DRAWING GRID

You may get an estimate by fax or in our office if you provide us with the drawing and accurate dimensions of the countertops. We strongly recommend that you visit our facility in order to select the color and style of your stone.

Please provide the following:

Date _____

Job Referencing

a. Customer's Name (Project Name) _____

Please reference this same project name on the drawing

b. City/Town, State (Job Location) _____

c. Customer's Home Phone Number (Job Site Phone Number) _____

d. Email address _____

How did you hear of us? Internet Newspaper Friend/Relative

Job Description

a. Stone Selection (Stone Name/Category) _____

b. Edge Selection (eg. Full Bullnose, Ogee, Dupont) _____

c. Sink Type (eg. Drop-in, Under-mount, Farm Sink) _____

d. Backsplash (eg. Low —4 – 6" or Full —18") _____

Layout/Drawing Instructions:

Submit your layout/drawing with measurements using the grid provided.

Indicate Counter Area, marking finished areas with "X" and backsplash areas with "B/S". Show location of appliances (sink, stove, cooktop, etc.) as indicated in the sample drawing.

NOTE: Standard depth of cabinet is 24 inches. Standard overhang of countertop is 1½ inches. That makes the standard countertop depth 25½ inches.
